

AND THE SEVEN DWARFS

A long, long, long time ago, in a land far, far, far away, there were 7 semi-attractive dwarfs, each of which possessed a special skill of some sort...

Kosie was a master in the art of mixing and matching ingredients, creating magnificent flavours and ultimately good food.

Gertjie could make coffee like a jedi... no bean or tea leaf could stand in his way of creating mind-blowing quality.

Fanie was an expert in the field of handling finances and menu price planning. His mind was a weapon!

Bertie was a great stock controller and also an amateur bowls player!

Pietie had the ability to bring a random bunch of Individuals together and give them the tools to work as one! He was somewhat of a leader.

Frikkie knew location was key and could spot potential in places where no one would think to look! He was majestic.

Brielie had no skills whatsoever, but he had the most beautiful hair and lots of personality. Besides, there couldn't only be 6 dwarfs!

THE END.

A.K.A. BABBALAS FIXER

Hier waar Toeka se Dae vandag staan het in 1930 absoluut boggerol gebeur en in 1940, -50, -60, -70 en -80 nog minder!

In die laat 90's het die boer van die plaas te veel groente en melk produseer vir die plaaslike mark, en besluit om 'n stalletjie oop te maak om van die oorskot ontslae te raak.

It went extremely well and the little farmstall grew from strength to strength. The farmer soon found out that his customers wanted much more than the small variety of stock he had to offer, so he made the shop bigger and started to sell meat as well. Bread followed, thereafter rusks and other baked stuff which he got from local "boere tannies". Soon enough the farmstall was, once again, too small!

He revamped the building, made it twice the size, only to find out a year later that it was too small again! A Bottle Store soon followed, with a butchery, bakery, and coffee shop in 2012. That also became too small and we had to break and build again to what we have today!

"Toeka Se Dae" – soos dit vandag bekend staan – is 'n bymekaarkompunt vir plaaslike, sowel as mense van om-liggende dorpe en stede. Hier kry hulle die laaste vleis, drank, koekies, biltong, koeldrank, brood, botter, jam, of persentjies, wat vir die naweek, vakansie of die lang pad nodig is.

Hier word ook funksies gehou – verjaarsdae, kantoortytsies, skoolfunksies en selfs troues ja...

TROUES! Ses mans het hulself hier vasgeteken in die laaste 3 jaar! Die partytjies was darm die moeite werd!
